

Over A Decade of Community Support

Over the past eleven years of Ride 2 Survive's existence, we feel blessed to have been acknowledged by many local organizations and individuals. We were humbled to receive Liberty Rotary's Hummingbird Award recognizing groups that give back to their community. Our organization gratefully accepted the SUNY Sullivan Foundation's "Pay It Forward" award. When we received a Certificate of Special Congressional Recognition for "outstanding and invaluable service to the community", and then went on to be recognized by the Community Foundation of Orange and Sullivan, we could not have been more thankful.

It is with your support, our community's commitment to helping each other and the spirit of dedication to a healthy county that we continue to thrive and grow in the hopes that everyone can receive the care they deserve. These and other accolades are a tribute to you, a community that comes together when others need them the most.

Our newest R2S Ambassador!

Having both gone through breast cancer in 2011, we understand how the shock and fear of a cancer diagnosis feels. The transportation cost for chemotherapy, radiation, surgery and physician visits will add up and become an unexpected burden.

Eleven years later, we and the board of Ride-2-Survive would like to thank you for your continued support in our mission of helping others travel the roads to better health. You have made us what we are today.

Ride 2 Survive's purpose is about more than just money, we are friends helping friends. Our assistance is not only financial, but a gesture of encouragement. Together, we hope to offer a little relief and a lot of support.

How We Help Our Community

The generosity of our supporters has enabled Ride 2 Survive to help so many friends and neighbors.

- Since its inception in 2013 and through December 2022, Ride 2 Survive - Sullivan County, Inc. has distributed over \$332,000 to more than 1,400 community members.
- Ride 2 Survive works closely with oncologists and treatment centers to assist with transportation expenses.

Please support Ride 2 Survive - Sullivan County, Inc. as we continue our effort to help your friends and ours!
